

2017 Annual Conference Website Submissions

We learn so much from each other!

Consider submitting your Website URL to be shared with WASSA members during the Website Showcase (presentation) at the upcoming conference.

- Institutions can decide if they want to be considered for the Best Website Award or just be featured in the showcase (without being evaluated).
- The Communications Committee will review award submissions and evaluate them on design, navigation, content and interactivity.

Please submit the following information to kmgarcia@unr.edu:

1. University name
2. Website URL
3. Contact person and email address
4. Specify either "Presentation Only" or "Presentation and Best Website Award"
5. One component of your Website that you are proud of
6. One thing you wish you could do with your site

Deadline: August 4, 2017
