At the concluding business meeting outgoing President, **Lee Golden**, passed the gavel to **Dan Wick**, WASSA's President for 199394. Dan presented Lee with a gift, an engraved plaque acknowledging his year of service to the organization.

**Michele Price** and **Maggie Herrington** have been named Directors.

## West Coast Sweeps Charlie Awards

The best summer catalogs in various formats are named every year at the annual WASSA Conference. The Catalog Committee, chaired by **Maureen Rodgers**, University of British Columbia, spent considerable time reviewing all 51 that were submitted for consideration. This year's winners are:

Oregon State University (4-color)

San Jose State (newspaper tabloid)

University of Portland (1-2 color separation)

The runnersup are:

UC, Santa Cruz (4-color, second place)

UC San Diego (4-color, third place)

Portland State University (1-2 color, second place)

Colorado College (1-2 color, third place)

## New Committee Formed - Help Wanted

WASSA has a new Marketing Committee and **Gary Penders** (Athe untracked life is not worth living@) has been named chair. If you are interested in serving on this exciting new committee, please notify **Dan Wick** who, as WASSA President, makes committee appointments.

Gary will bring to this committee and to WASSA in general the benefit of his great knowledge and enthusiasm for the art and skill of marketing summer programs.

In tacit acknowledgement of his leadership in this field, WASSA has also established the Gary Award which will recognize superior marketing ideas. Institutions may vie for this award through a submission process similar to the

Charlie Award for best catalog.

## Fifth Distinguished Service Awardee Named

**Paul Aizley**, University of Nevada, Las Vegas, is this year's recipient of the award.

A longtime member of WASSA, Paul is also a member of the Mathematical Association of America, NUCEA, and NAASS. He has contributed significantly to the organization serving on a number of its committees and as Director,

chairing workshops, and providing wise advice to those smart enough to seek him out.

As a strong believer in lifelong learning, he practices what he preaches: he has studied Spanish, German, Italian, comedy writing, magic, blackjack dealing, casino management, and much more. He has travelled to twenty foreign

countries and been to all fifty of the states.

Paul's dedication to higher education is reflected in his efforts to raise funds to construct a continuing education building which will accommodate community needs and serve all of southern Nevada.

Congratulations, Paul!
